Summary of Legislation: This bill permits the establishment of regional onsite waste management districts and specifies the requirements for establishment and operation of a district.

Effective Date: July 1, 2001.

Explanation of State Expenditures:

Explanation of State Revenues:

Explanation of Local Expenditures: Regional onsite waste management districts may be established. Districts may inventory, inspect, and monitor septic systems. The districts would coordinate activities of the local health departments, the Indiana Department of Environmental Management, the Department of Natural Resources, and the State Department of Health. Costs associated with the aforementioned duties could be paid by participating counties, fees and/or rates assessed, or grants received. The impact of the provision will depend on the number and nature of districts established.

Explanation of Local Revenues: The districts may receive grants for system maintenance and other activities. Districts may also recommend that the county or counties impose fees or assess rates. The impact will depend on the number and nature of districts established.

State Agencies Affected: Indiana Department of Environmental Management, Department of Natural Resources, and the State Department of Health.

Local Agencies Affected: Counties.
